Popular Report Samples

Comet is an Enterprise software suite for internally managing all aspects of film and television distribution, utilizing the latest Microsoft SQL Database Server technology with full integration with Microsoft Office and popular accounting programs. Comet's proven product design and knowledgeable implementation team have driven a successful 12 year track record supporting some of the largest independent distributors in the US and UK and across 5 continents.

Availability Reports: Detailed availability report by title, territory and right in Word, Excel, PDF or web page in a variety of layouts and formats. Pick from dozens of user-settings for more or less detail.

Contracts: Using the data you input to Comet, generate Deal Memos and Long Form agreements, in a variety of formats including your own 100% user defined Word template layout with "merge" fields inserted. Agreements are created in Word or Excel or directly to a PDF format.

Conflict Check: Detailed one-click conflict checks per contract avoid double sales and unauthorized sale of excluded windows.

Invoices: Multi-title invoices corresponding to payment terms in any currency for fees, guarantees, material charges, unit sales etc. Journals to your accounting system via a user-configured interface.

Sales Reports: Over 200 general and workflow reports showing sales by title, by territory, by customer, by licensing entity etc. with report filtering options.

Financial Reports: Cash flow, aging, collections, receipts, revenue recognition, recoupment and liability accruals etc. by title, by territory, by customer, by licensing entity etc.

Royalty Reports: Produce a batch royalty run directly to a print-formatted Excel workbook with supporting calculations available for print on request. Complex recoupment orders, splits, kickers and cost caps. The reports are automatically generated in any reporting currency as selected for the producer and show the previous balance, current amount and closing balance for all values.

Servicing and Fulfillment: Manage all aspects of your shipping and delivery / fulfillment including broadcast materials dubbed or on loan and creating all associated documents with direct email options.

Sales Interest Tracking / Screeners: Manage and interest by customer, title and territory with screener ordering workflow and producer sales activity reporting.

Project Development: Comet can log and track acquisition and development projects under submission and provide management reports of the status of projects being considered. A special feature allows transfer of reviews from a reader's e-mail directly into the database to minimize double-entry.

**Year of Production : 2005
Available Date: January 1, 2006
Expire Date: 35Y frm Del Matls**

**CAST: Julius Manchen confirmed as host for the series. Guest line-up is being drafted by Ron Oltz to be faxed through to Stan.
DIRECTOR: Oltz, Ron**

This unusual history of cookery through the ages is neither one thing nor the other. Not fish (food for the monk), nor flesh (food for people generally), nor yet red herring (food for the poor). This season focuses on how desert cookery has developed up until modern times.

Immortal Bird (History and People)

2002

Talent: Hosted by James Peene

Oh for a draft of vintage! That hath been Cooled a long age in the deep delved earth, Tasting of Flora and the country green, Dance and Provencal song, and sunburnt mirth! O for a beaker full of the warm South, Full of the true, the blushful Hippocrene, With beaded bubbles winking at the brim, And purple-stained mouth, That I might drink, and leave the world unseen, And with the fade away into the forest; Ode to a Nightingale, John Keats 1795-1821
